All financial aid recipients should review www.financialaid.uc.edu/academicprogress to understand Satisfactory Academic Progress needed to maintain aid eligibility.

Direct Loans cannot be applied to your eBill until you complete loan entrance counseling. Complete this requirement by visiting our Website at www.onestop.uc.edu and using the “Get Loan Counseling” link. Students without Web access may use computers in One Stop Services or their campus library.

If you receive additional financial aid after your statement is paid or if your aid exceeds your charges, you will receive a refund. Refunds are not retained for future semesters. More information available at www.uc.edu/of/bursar/refunds.

Students can sign up at www.onestop.uc.edu to have their refund checks directly deposited into the checking account of their choice.

To receive aid, students must be in good academic standing. They must also be registered at least half-time (6 credit hours per semester) or registered for co-op to be eligible to benefit from most financial aid programs. Some aid programs are available only to students who are full-time (12 or more credit hours per semester). Students who co-op during the year should request that their aid be adjusted according to their co-op schedule.

Dropping classes or withdrawing from the university can significantly affect your aid eligibility. Federal aid recipients are subject to refund and repayment obligations that may differ from university withdrawal policies. Generally, financial aid recipients whose class load changes during the semester’s refund period will have their aid prorated. A student may also be required to repay all or a portion of the aid received depending upon the point of withdrawal.

Students who drop classes can lose financial aid eligibility for upcoming semesters. To avoid problems, speak to staff at the One Stop Student Services Center (2nd floor, University Pavilion) before dropping courses or withdrawing.
