As stated, financial aid (except Federal Work-Study) will be credited directly to your eBill. Students are responsible for paying any unmet portion of the eBill as follows:

- **Online Payment**: Payment can be made when viewing the eBill using personal check information at no additional cost. You may also make a credit card (Visa, Mastercard, American Express, or Discover) payment for a 2.75% non-refundable service fee.
- **Payment by Mail**: Print remittance from online eBill and submit it with check.
- **In Person Payment**: Payments by check can be made at the depository (2nd Floor, University Pavilion) or a branch campus.
- **Payment Plan**: Details on the extended payment plan are available at www.onestop.uc.edu or (513) 556-1000.

### application for financial aid

If you have not already done so, apply for federal, state, and institutional aid by filling out a 2018-2019 Free Application for Federal Student Aid (FAFSA).

Remember that applying for financial aid is an annual process. You must fill out the FAFSA each year via www.fafsa.ed.gov. You should complete your application as soon as possible. Because some aid programs are awarded on a first-come, first-serve basis, an early application each year receives priority consideration for limited funding sources.

### student account eBill

eBill notifications are sent to students prior to the due date, whenever there is a change to registration or the bill, and on a monthly basis when the bill is unpaid. Students review their eBill online, and it will include the following:

- tuition (instructional, general, campus, and technology fees and, when appropriate, program fees),
- room and board (for on-campus students),
- student health insurance (billed until a waiver documents alternative coverage), and
- semester financial aid (including loan estimates prior to the start of the term).

Note: You may need to meet additional requirements for some aid sources (such as signing a loan promissory note).

Registered students will be able to view their eBill by August 1 for the fall 2017 semester. An email notification will also be sent to your UConnect email account. You can access your UConnect account at mail.uc.edu.

### refunds

If you receive additional financial aid after your statement is paid or if your aid exceeds your charges, you will receive a refund. Refunds are not retained by the university. More information is available at www.uc.edu/bursar/refunds.

Students can sign up at www.onestop.uc.edu to have their refund checks directly deposited into the checking account of their choice.

### money matters

Students may always view their eBill online at www.catalyst.uc.edu. Be sure to check the due date and any further instructions. Failure to meet payment obligations may cause late fees to be incurred and a block from future registration.

### estimating your eBill

We encourage you to complete the worksheet in the center of this handout. Along with your award offer, it will help you project your semester eBill and anticipate any payment obligations.

You will also have expenses that will not be billed by the university. For instance, we have found that students spend, on average, $5750 per semester on books and supplies. Additionally, any personal budget you create should include transportation to and from home, off-campus rent and utilities, clothing, entertainment, and other personal expenses.

Planning is key to ensuring that your anticipated expenses will be covered by your financial aid, income or savings, and family assistance.

See www.financialaid.uc.edu/financialplanning.
