*I realize I can only receive aid at one institution and that I am responsible for any fees at all institutions not covered by my financial aid. It is my responsibility as the student to ensure that my aid is in order prior to billing due dates if I expect aid to cover all or part of my fees. Further, I understand I must comply with all home and host institutions' academic and financial policies to include submission of official academic transcripts for the period of attendance. Failure to provide transcripts will limit aid eligibility for future terms.

Signature _____ Date _____
This agreement should be completed by the student, academic advisor and host institution before being submitted to home institution.

TERMS OF THE AGREEMENT

By signing the agreement, the host institution agrees that the named student has been accepted for enrollment. The host institution further agrees to notify the home institution if the student withdraws from the program or drops below the number of credit hours specified on page two of this agreement. The host institution will provide, upon the student's request, an official academic transcript that will evidence satisfactory conclusion of the program.

The institution awarding aid agrees to determine the student's eligibility based on the cost of education at the host institution and maintain all financial aid records in accordance with federal aid regulations. This institution will also provide payment to the non-awarding institution and process any refunds and/or repayments resulting from a student's withdrawal from classes.

The institution not providing aid agrees to withhold processing any federal or state financial aid for the student during the period of enrollment noted.

This document has been drawn up to comply with all pertinent federal, state and University of Cincinnati regulations.
