Dependent 2018-2019 Verification Worksheet Federal Student Aid Programs

Your application was selected for review in a process called verification. The law says that, before awarding federal aid, we have the right to ask you to confirm information reported on your Free Application for Federal Student Aid (FAFSA) using this worksheet and other required documents. If there are differences, your FAFSA information will be corrected.

You must complete and sign this worksheet.

Non-scholarship aid will not be available until the verification process as outlined on this worksheet is complete. Preliminary Awards are estimates of eligibility. Any delay can cause the loss of eligibility for limited aid sources. Failure to complete verification prior to last day of enrollment can result in total loss of eligibility.

Authority to request and review information is provided under the financial aid program rules (34 CFR, Part 668).

NOTICE ABOUT INCOME VERIFICATION

Income information for tax filers must be matched with data on file with the Internal Revenue Service (IRS). See page 2.

As such, persons who have not filed their 2016 taxes* will not be able to complete verification until they have filed and their tax information is available from the IRS.

Using the FAFSA's IRS Data Retrieval Tool (when filing your FAFSA or by making a correction now) is always the preferred method to verify income information and limit the need to supply other paperwork.

*Persons filing a tax deadline extension will have to complete the verification process now and again after filing taxes.

Income Information for Tax Filers - Choose one option to verify income

IRS DATA RETRIEVAL: Best way to verify income because UC is updated with key data when the IRS Data Retrieval Tool is used within the FAFSA.

- Go to www.FAFSA.gov, log into the FAFSA record, select “Make FAFSA Corrections,” and navigate to the student and parent financial sections.
- If eligible to complete the process, use the IRS Data Retrieval to transfer 2016 IRS income tax information to the FAFSA for both student and parent.

IRS TAX RETURN TRANSCRIPT: If you are unable or choose not to use the IRS Data Retrieval Tool, an IRS Tax Return Transcript can verify income.

- Go to www.IRS.gov and use the “Order a Return or Account Transcript” link or call 1-800-908-9946.
- Make sure to request a *Return* Transcript, not an *Account* Transcript.
- SSN, date of birth, and address used on the taxes needed for each tax filer when making the request. IRS will only send transcripts to address on file.
- Married persons filing separate tax returns (or newly single who filed jointly) must use Transcript option to request tax info for both parents.
- Original (not photocopy) of transcripts must be submitted with this verification worksheet.

IRS TAX RETURN: If you do not use the IRS Data Retrieval Tool or provide a Tax Return Transcript, a signed copy of your filed 2016 taxes is required.

- Be sure that you provide one (in the case of a 1040EZ) or both pages (for 1040 or 1040A; schedules not needed) of your SIGNED federal tax return.

C. Student’s Income Information

1. **TAX RETURN FILERS:** Review information at the top of this page and check only one of the boxes.
- IRS Data Retrieval in FAFSA was used to retrieve and transfer student IRS information (either on initial FAFSA or when making a correction).
 - Student unable or chooses not to use IRS Data Retrieval Tool so original 2016 IRS tax return transcript or copy of SIGNED federal tax return is attached.
 - Student filed an amended return so original 2016 IRS tax transcript or signed federal tax *and* 2016 signed copy of 1040X are attached.
 - Student attached a copy of tax filing extension request. W-2 forms are also attached with information noted in the section below.
(Extension filing will require completion of verification again after taxes are filed and could result in loss of aid eligibility including a balance owed immediately to UC.)

2. **TAX RETURN NON-FILERS:** Complete this section if student will not file and is not required to file a 2016 income tax return with the IRS.

- Student not employed and had no income earned from work in 2016.

VERIFICATION PROCESS

■ AID PROCESSING CANNOT CONTINUE UNTIL PAPERWORK IS SUBMITTED.

selection and submission

- A percentage of all aid applicants are selected for federal verification. It is a generalized quality assurance program and does not reflect a specific concern with your aid application.
- Students selected for income verification must complete the income verification worksheet and return it along with required documents.
- Because tax information must be verified with IRS information, completion of the verification process may be delayed if you have not filed the appropriate taxes.
- The IRS Data Retrieval process via FAFSA is the preferred method to verify income. If you are unable or choose not to use the Data Retrieval Tool, you must supply original IRS Tax Return Transcripts or copies of signed federal tax forms. A signed 1040X is also required if you amended taxes.
- Delays in submission of required documents can affect eligibility.

review paperwork prior to submitting

- Please review household information to ensure those persons you have listed qualify based on the instructions on the verification worksheet.
- Include the student SSN or UCID on attached documents. Double check that the verification worksheet includes the proper signatures.

financial aid award

- Any non-scholarship aid shown in a Preliminary Award is an ESTIMATE of eligibility. Complete awarding will be done following verification processing.
- Your submitted documents will be compared to your aid application, and UC will make any required adjustments with the federal processor. As such, verification processing by UC can take several days to complete once documents have been submitted.
- You can continue to monitor your aid status at www.catalyst.uc.edu using the “My Finances” tab.
- Once complete, your financial aid award will be displayed online for you to accept or decline as desired.

THANK YOU FOR SUBMITTING REQUESTED PAPERWORK IN A TIMELY MANNER.
