VERIFICATION

The U.S. Department of Education selects one-third of all FAFSAs for verification. UC is then required to collect supporting documents to review your FAFSA. Verification must be completed before financial aid can be disbursed.

- Email notification and notations in your Catalyst “To Do” list will alert you.
- Supporting documents are often collected via the Financial Aid Portal detailed at financialaid.uc.edu/sfao/portal

LOAN PROCESS FOLLOWING ACCEPTANCE

Your education is one of the most important investments you will ever make. You are investing in yourself and your future. As such, many students (and parents) find that low-interest, educational loans provide a sound strategy toward meeting the costs of attending college.

- In addition to accepting loans as part of your financial aid award, borrowers have additional processes detailed at financialaid.uc.edu/loans/loanprocess
- Notations will be placed on Catalyst “To Do” lists for students.
- Addition guidance detailed online
 - Loan Maximums: financialaid.uc.edu/loans/loanmaximums
 - Interest Rates: financialaid.uc.edu/loans/interestrates
 - Loan Fees: financialaid.uc.edu/loans/loanfees

SPECIAL CIRCUMSTANCES

The Higher Education Act and associated federal regulations give financial aid administrators the authority to adjust an individual student’s federal aid application (FAFSA) based on unusual circumstances within the household. UC’s Student Financial Aid Office will review and, when appropriate, adjust a student’s FAFSA to better reflect a student’s current financial situation. Though a family may have significant changes in projected 2021 income when compared to 2019 used on the FAFSA, the changes may not result in a change to aid eligibility.

- Students seeking a special circumstances appeal must have a completed (and, when selected, verified) FAFSA on file.
- 2021-2022 Special Circumstance Appeal instructions can be accessed here: <https://financialaid.uc.edu/sfao/spc.html>
